ORCID: 0000-0002-0973-3468

|Prizes, Awards

3rd EuPhO — Latvia 2019
🟡 Absolute Winner [+Gold Medal]

50th IPhO — Israel 2019
⚪ Silver Medal [top 25%]

Slovak Youth Chess Championship — Slovakia 2015
🟤 Bronze Medal [Category U16]

|Other interests

Linux, Free software

Some essential software of my choice:

Linux distribution: arch
Window Manager: dwm
Text editor: neovim

|Education

2019 to 2022 — B.Sc. in Physics

Charles University | Prague | Faculty of Mathematics and Physics
Overall study average: 1.00 (lower is better, best is 1.00)
Total ECTS credits: 219 (from which 16 are acknowledged in Master's)
Transcript of Completed Study Requirements

Bachelor Thesis

Title: *Counting operators in Effective Field Theories*
Awarded: Honorable Mention (Dean's Award).

Digital Repository: original text and reviews
GitHub: jdujava/CountingInEFT
arXiv: 2211.05759 [hep-th]

2022 to Present — studying M.Sc. in Theoretical Physics

Charles University | Prague | Institute of Theoretical Physics
Current study average: 1.00 (lower is better, best is 1.00)
Current ECTS credits: 102 (16 are acknowledged from Bachelor's)
Transcript of (currently) Completed Study Requirements

|Talks, Seminars

May 16th 2023 — Basel, Switzerland

Title: *Counting operators in EFT by the Hilbert series method*
Invited by: Prof. Dr. Admir Greljo
Presentation: CountingInEFT_presentation.pdf
